AMENDMENT

1. Article IX "Restrictions Relating To Property", Section 9.20 "Fences" of the Declaration shall be amended as follows (additions in text are indicated by underline and deletions in text are indicated by strike outs):

   No fences shall be located in any areas designed in a plat of subdivision affecting the property as a landscape easement. No fence shall be located in front of the line formed by the front of the Dwelling Unit, as extended to the side Lot lines. No fences may be constructed upon the Property except in accordance with applicable City ordinances. All fences constructed on the Property shall be a maximum of five (5) (5) four (4) feet high and must be prior approval by the Board of Architectural Review Committee: provided, that, fence poles may have Caps on them with a 8 inch decorative trellis and the combined height of fence poles with caps may exceed five (5) feet in height as long as the remaining portions of the fence do not exceed five (5) feet in height.

2. The terms used herein, if not otherwise defined, shall have the same meaning described to them in the Declaration.

3. The language of this Amendment shall govern any conflicts between this document and the prior Declaration and its amendments.

4. Except as to the extent expressly set forth herein above, and as amended, the Declaration shall continue in full force and effect without change.
